Answer: In FY 2021, over **\$80.6 billion** was spent on IDD supports and services.

State of the States
In Intellectual and Developmental Disabilities

The State of the States in Intellectual and Developmental Disabilities Project is a national longitudinal comparative study of financial and programmatic trends in spending on supports and services for people with Intellectual/Developmental Disabilities (IDD) in the United States. The project is funded by the U.S. Administration on Community Living as a Longitudinal Data Project of National Significance.
