What is the community Services Fiscal Effort Per \$1000 for Fiscal Year (FY) 2023?

Definitions

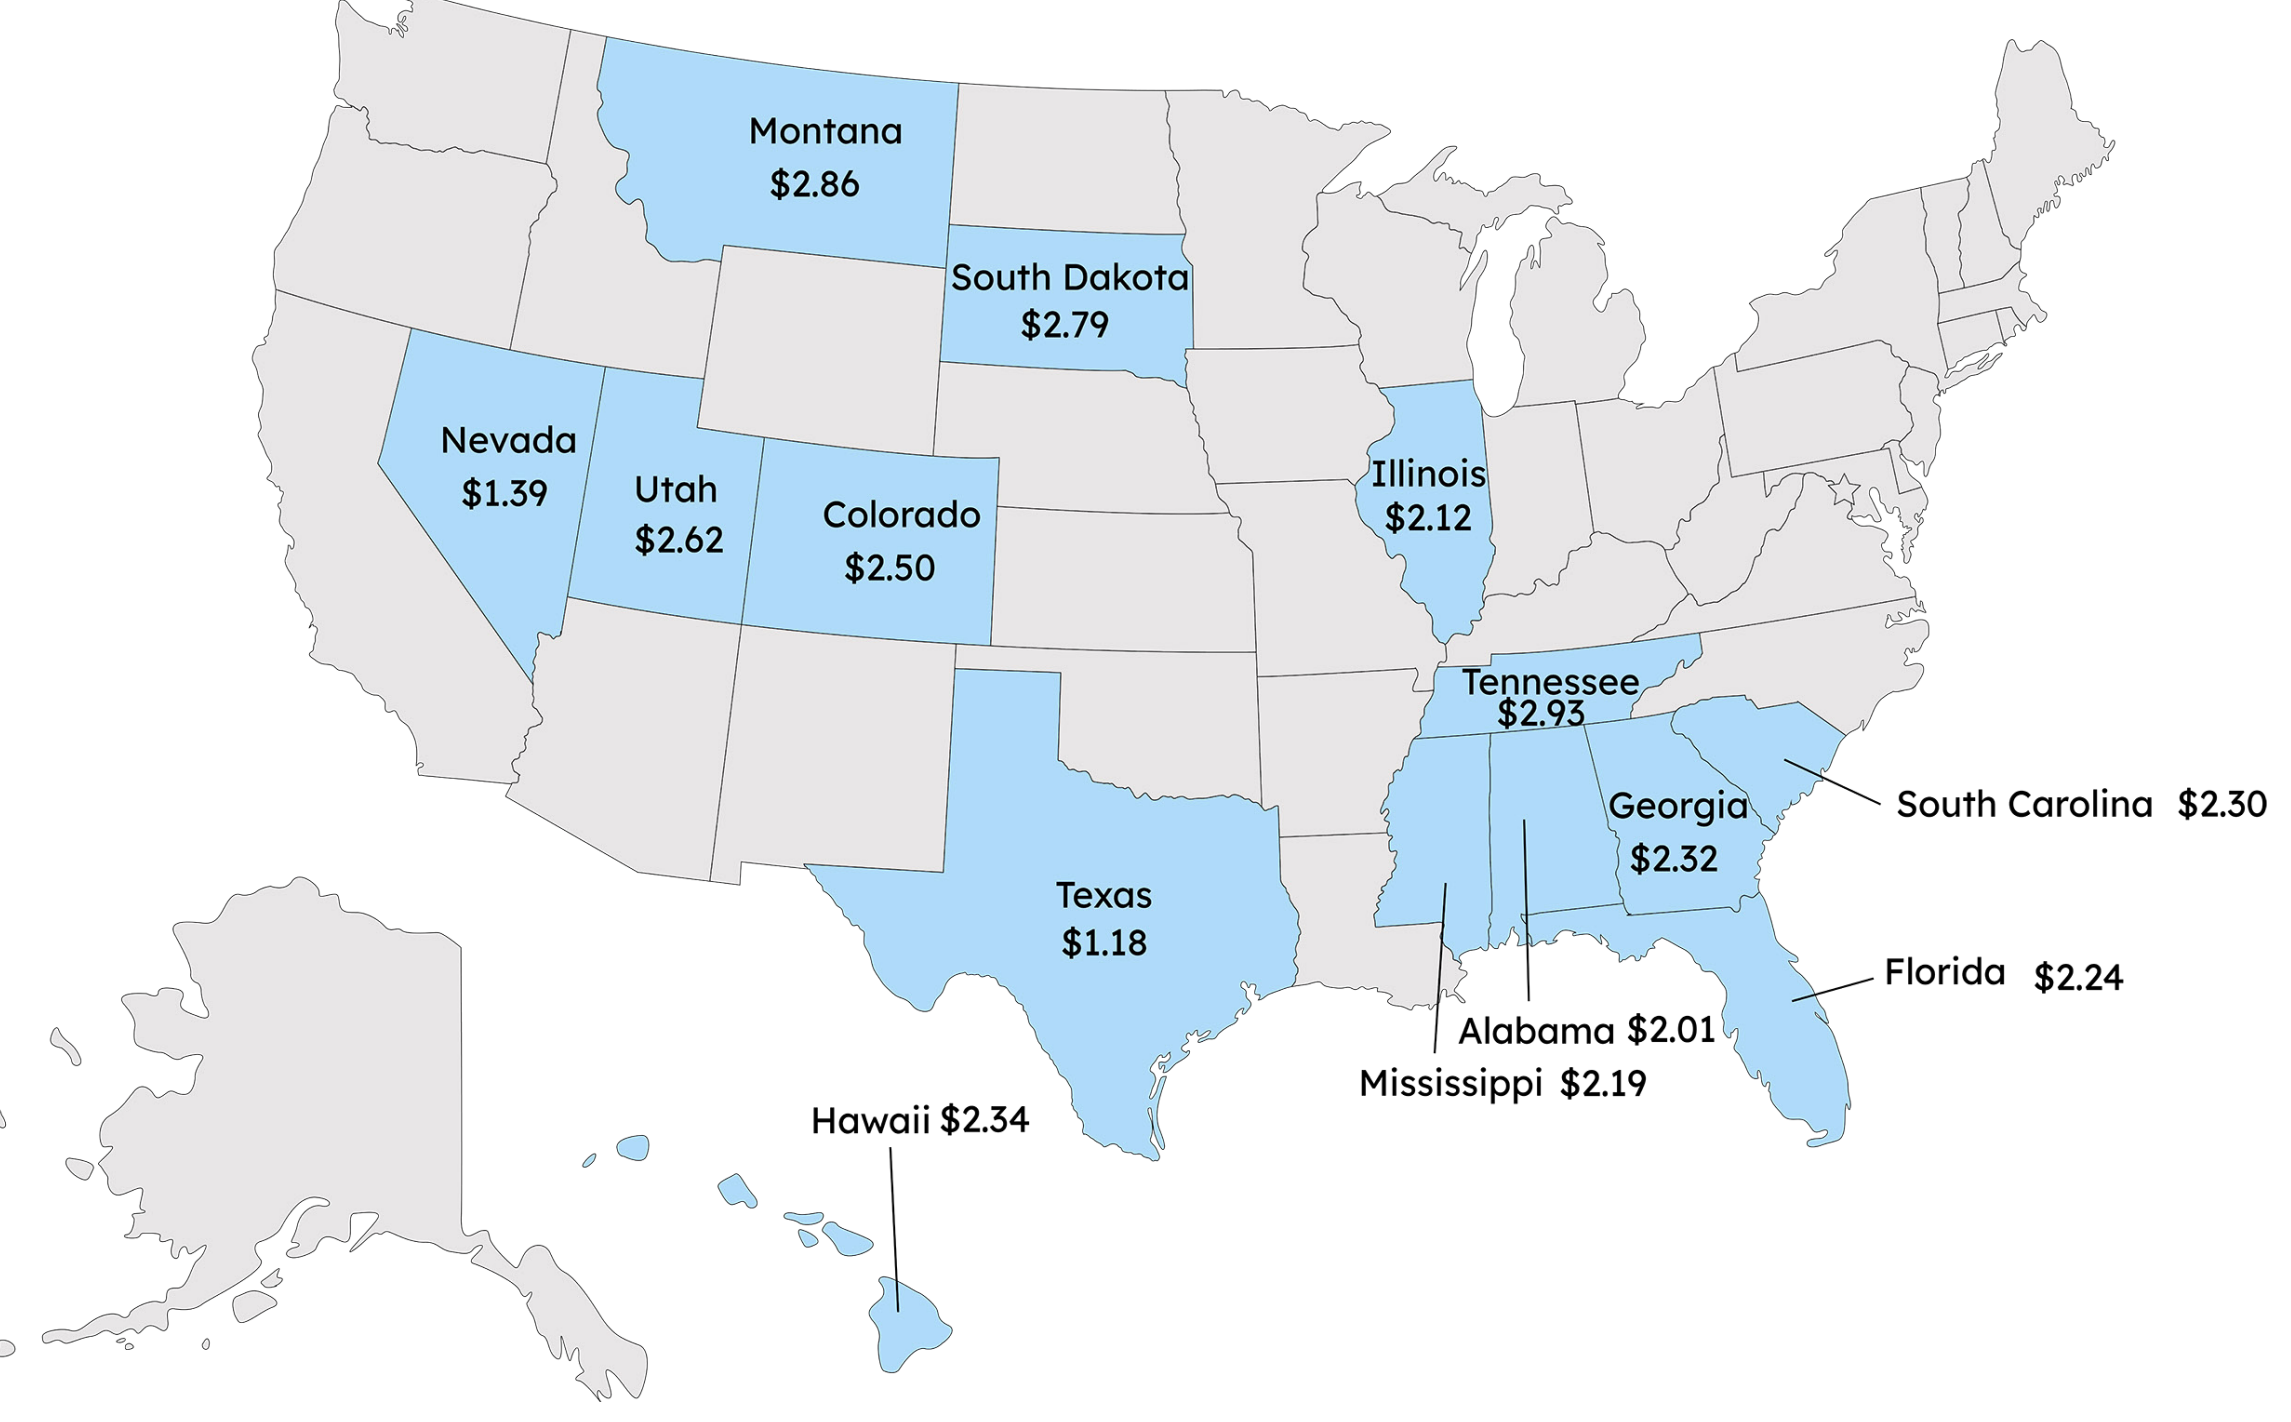

Fiscal effort is a measure of how much a state spends on intellectual and developmental disabilities, long-term supports and services per \$1,000 of statewide personal income.

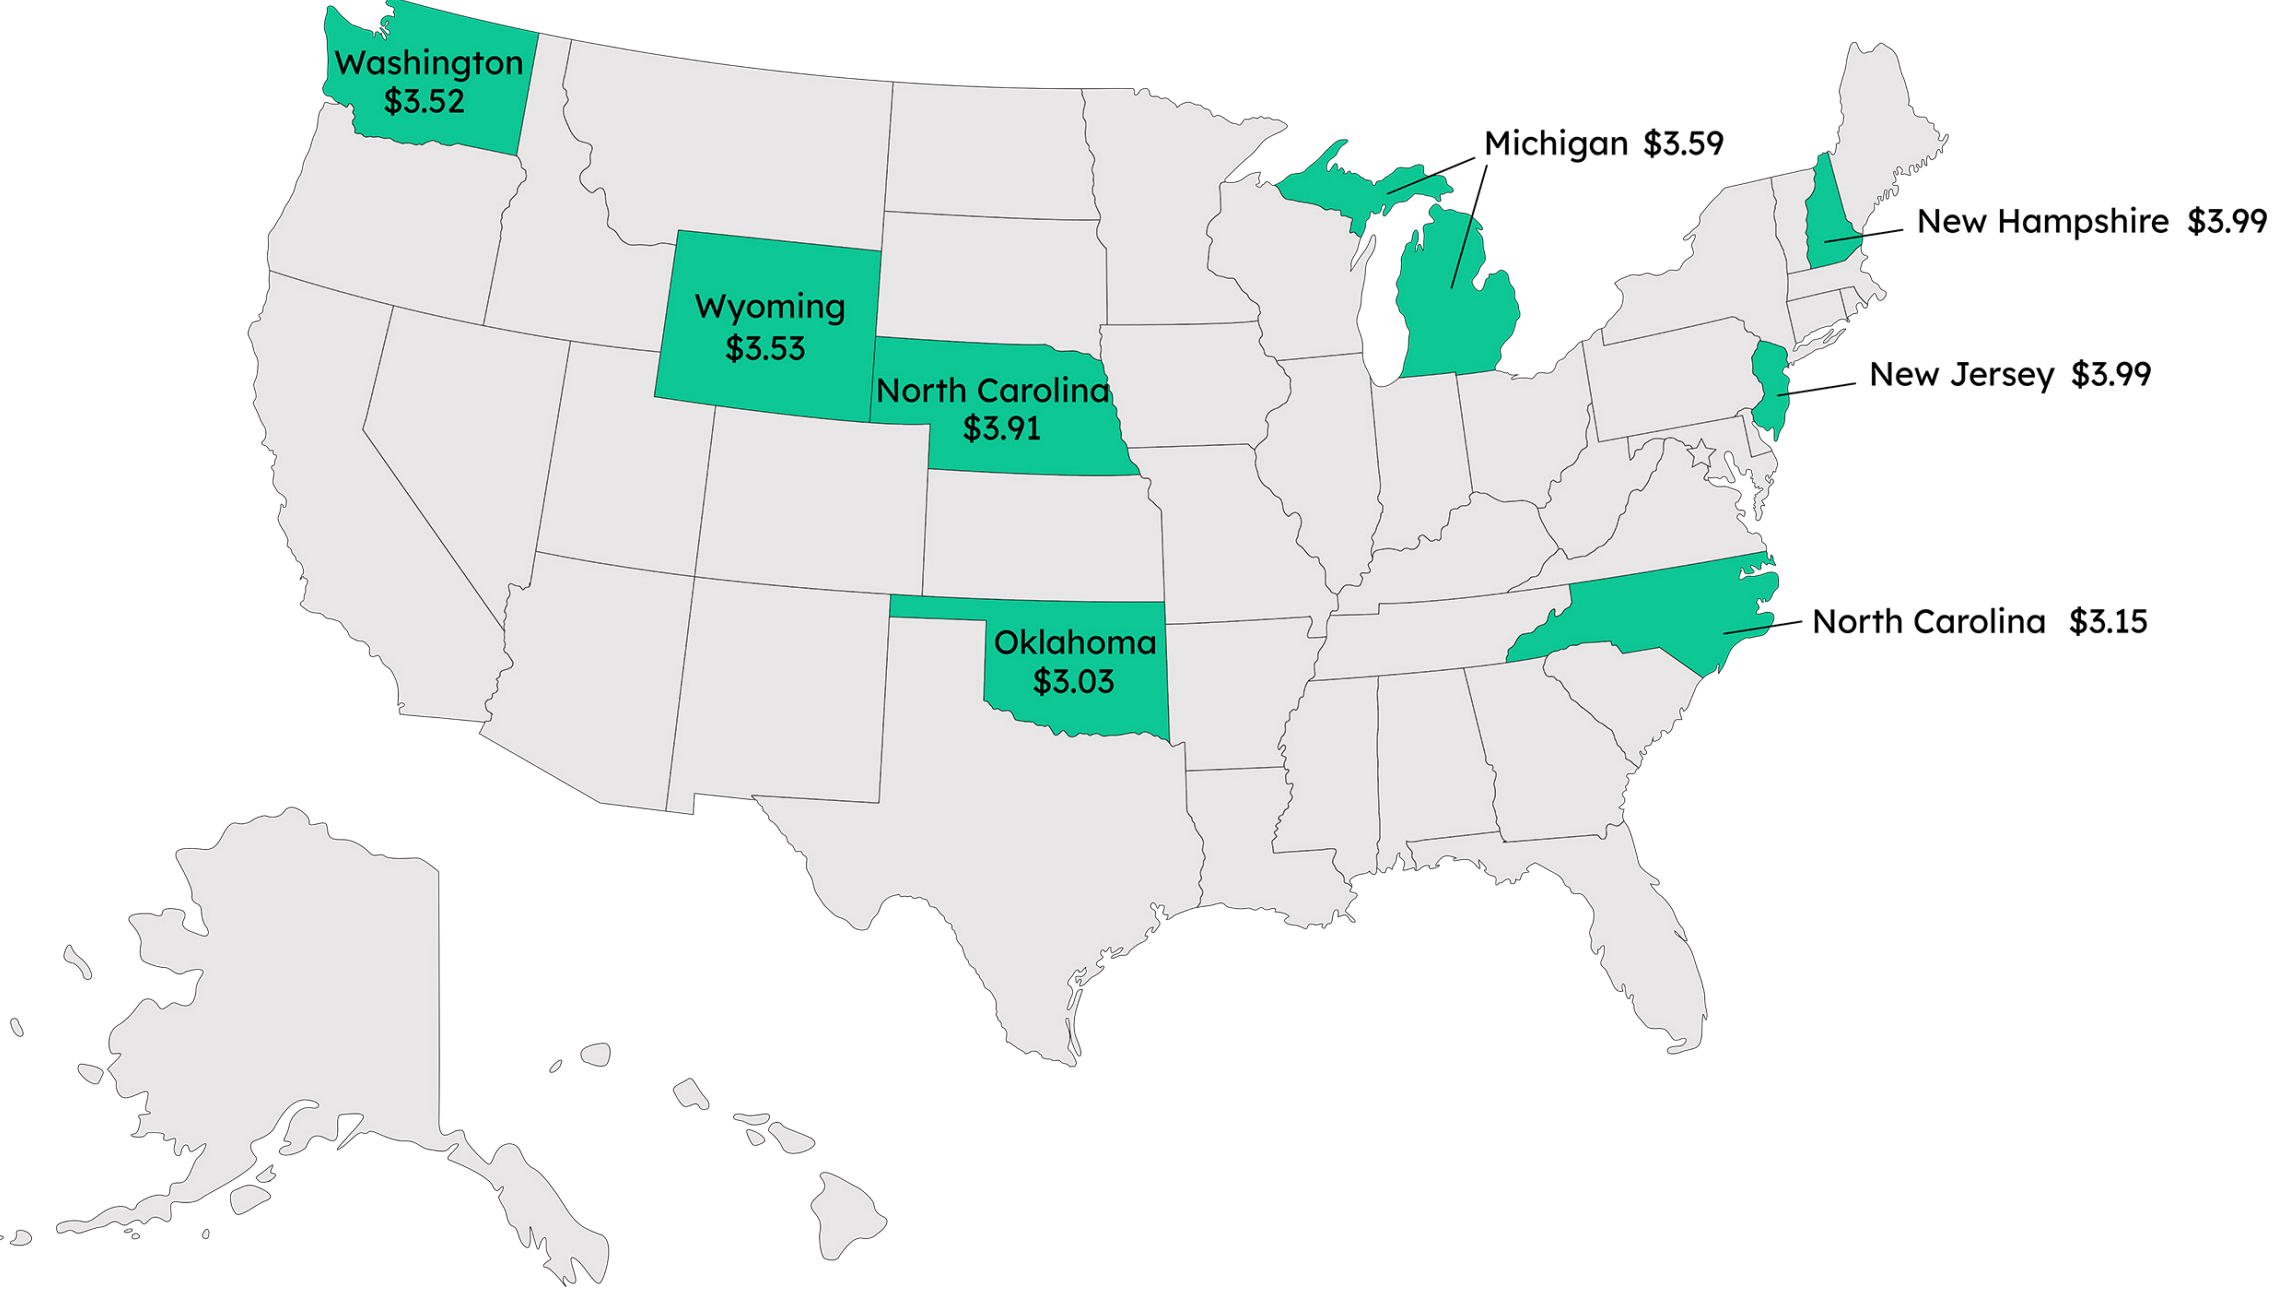

Community fiscal effort consists of federal, state, and local government spending for publicly or privately operated community-based residential programs serving 15 or fewer persons per setting.

National Fiscal Effort: \$4.30

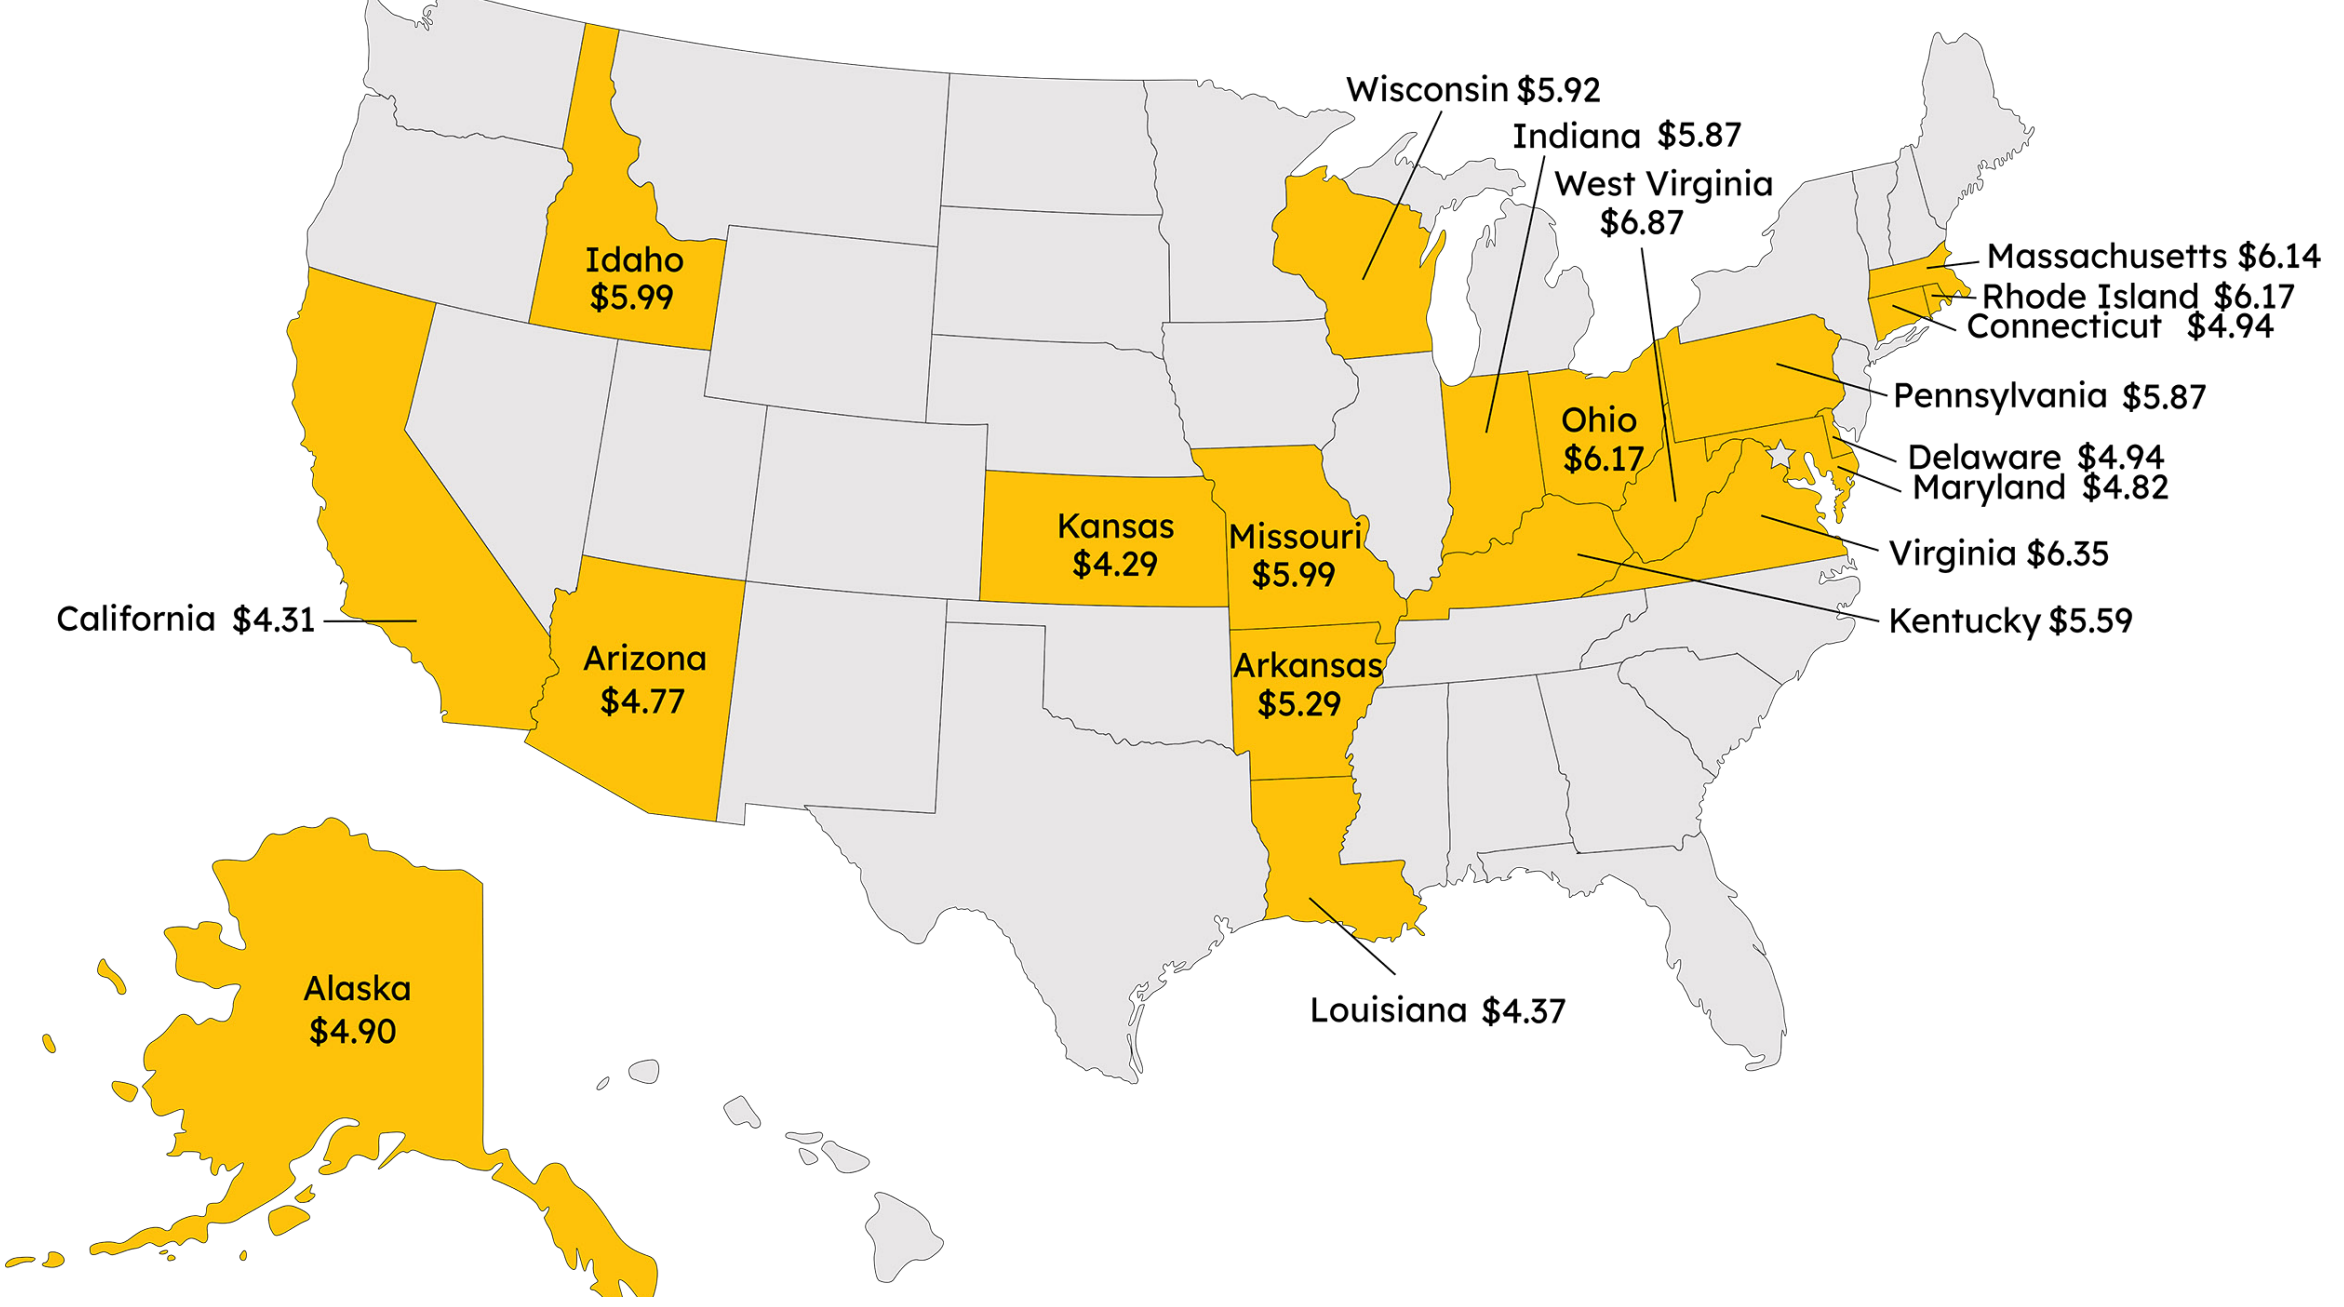

Community Fiscal Effort \$0.00-\$2.99

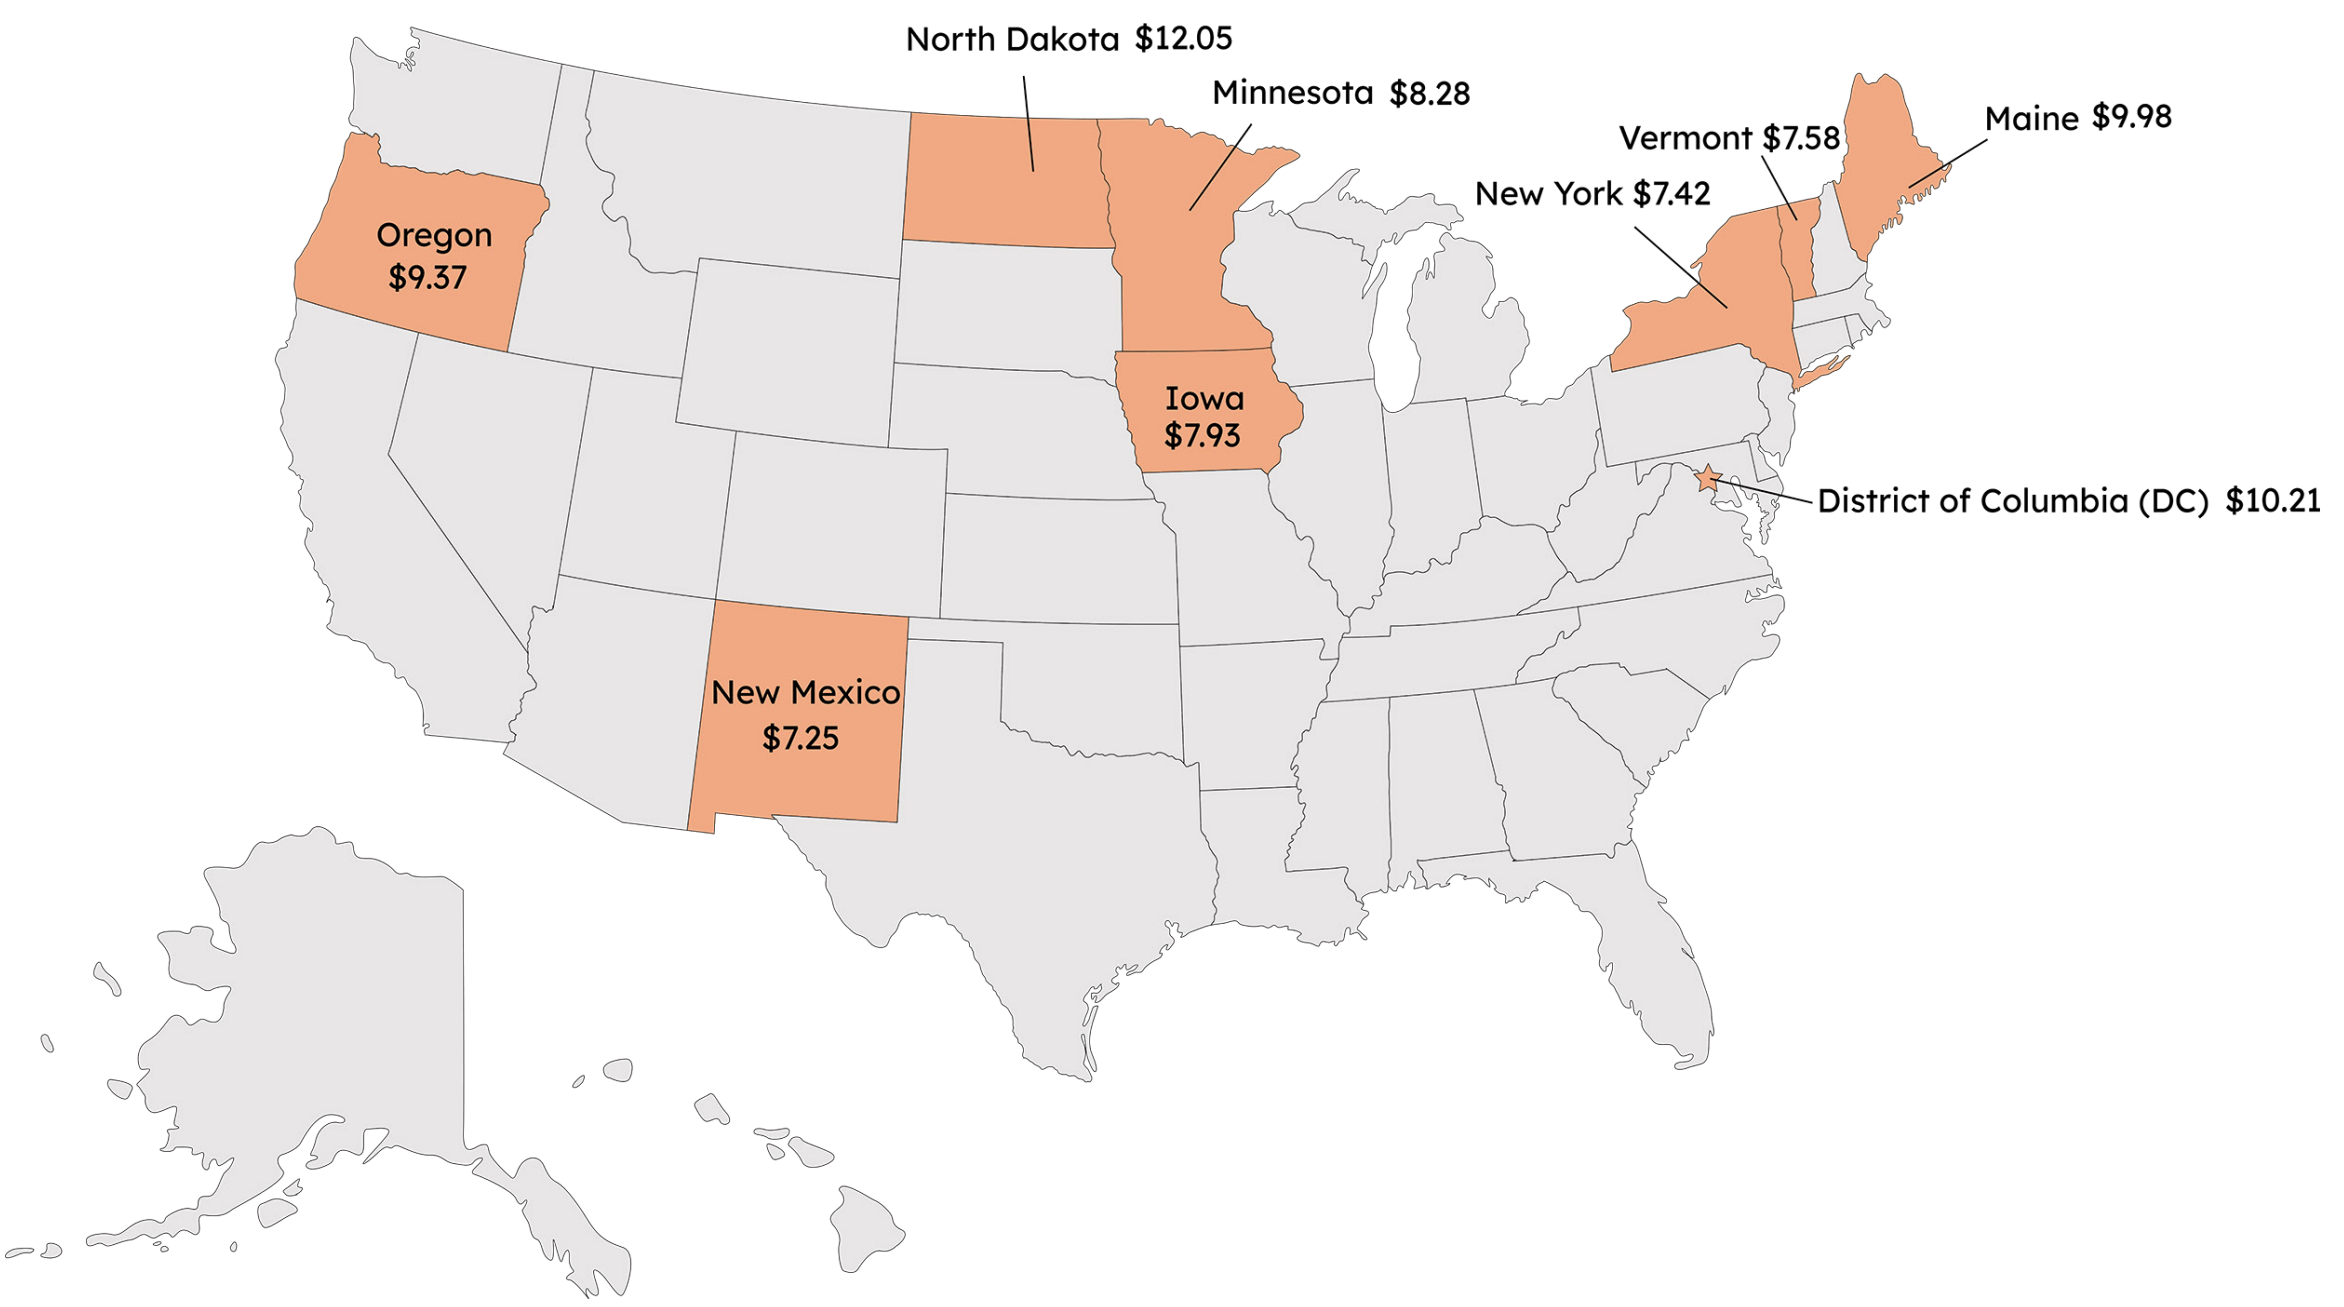

Community Fiscal Effort \$3.00-\$3.99

Community Fiscal Effort \$4.00-\$6.99

Community Fiscal Effort \$7.00-\$13.99

About the State of the States

The State of the States in Intellectual and Developmental Disabilities Project is a national longitudinal comparative study of financial and programmatic trends in spending on supports and services for people with intellectual/ developmental disabilities (I/DD) in the United States. The project is funded by the U.S. Administration on Community Living as a Longitudinal Data Project of National Significance.
