

**QUESTION:** How many people with intellectual/developmental disabilities (IDD) lived in   state-operated institutions in the United States (US) in Fiscal Year (FY) 2019?

STATE OF THE STATES  
IN INTELLECTUAL AND  
DEVELOPMENTAL DISABILITIES

**In FY 2019, 16,626 people with IDD lived in state-owned institutions in the US.**

The State of the States in Intellectual and Developmental Disabilities Project is a national longitudinal comparative study of financial and programmatic trends in spending on supports and services for people with IDD in the United States. The project is funded by the U.S. Administration on Community Living as a Longitudinal Data Project of National Significance.
