

**Do you receive adult HCBS services in Kansas?
Do you want to help make technology more
accessible for everyone?**

Join the Technology First for Kansans Advisory Council!

The Technology First for Kansans (T1K) Advisory Council will learn about accessible content and design to share information about technology access for people with disabilities across Kansas.

**Meeting Dates:
Wednesdays from 10am-12:30pm central**

- **September 17th**
- **October 15th**
- **November 19th**
- **December 17th**

Meetings will be hybrid. You can attend in-person at the KU campus in Lawrence or online using Zoom. Members will receive a stipend for attendance and reimbursement for travel costs.

**Interested?
